The final daily rankings are available the next day, from 6:00 a.m. at the latest.

Best 5 Models with the most amount of TIPS (bonus) from different members will be awarded with money prizes as following:

First place: 200 €
Second place: 100 €
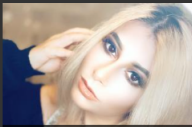

Third place: 75 €
Fourth place: 50 €

****ATTENTION: Since 24 July 2023, ALL TIPS are counted. Simple TIPS (Bonus), but also all Actions Panel (Gifts, Live Action or Interactive Toys)****

- If there is still a tie, the number of bonuses are then taken into account. For example, a model that has won € 100 in bonuses with 10 customers and 20 separate bonuses will prevail over a model that has won € 100 of bonuses with 10 customers and only 15 separate bonuses;
- In cases of total equality between two or more models, the prize will be divided between the models;
- The same model can win a maximum of 3 times in the same calendar month;

For example, if a user chooses French language, then the models will be displayed by taking into consideration the value of Cam Rank by French language.

To see this, go to a model account, Menu -> Cam Rank & Top5 -> Cam Rank -> and choose for example CamRank - language FR, and you will see how high/low is the Cam Rank when the user chose FR as language on the website.

If the user choses a language that is not in this list , then will be taken into consideration the Global Cam Rank.

The screenshot displays a model's profile on the left and the CamRank settings on the right. The profile includes a photo of a blonde woman, the name 'modeltest1', and statistics: Category: Young women, Age: 20, Rate: 5 stars (6 votes), My Fans: 10, Loves: 0. A 'Start your show now' button is visible below the profile.
